## OUR MILLET STORY

Theo millets was inspired by a mother's quest to find healthier food options for her daughter, leading her to discover the nutritional benefits of millets as a wholesome alternative. As she travelled through a nutritious exploration of millets, she discovered a limited selection of products in the market.

That's when the idea of Theo millets emerged - a vision to create a brand catering to all age groups, providing tasty and convenient whole millets, millet based snacks, breakfast cereals and ready to cook options. What sets Theo millets apart is their commitment towards high millet content in their products, making it a reliable choice for a healthy shift in your diet.

## OUR WHOLE MILLETS

Our whole millets are naturally sourced, nutrient-rich, and packed with fiber, protein, and essential minerals. With strict quality control and advanced processing, we ensure premium-grade millets for a healthy diet.

## LARGE MILLETS

**JOWAR** High dietary fiber, helps in digestion, Good for Gut health.

**PEARL MILLET** Excellent source of iron helps improve hemoglobin and lowers cholesterol.

**RAGI** Rich in calcium and fiber, supporting strong bones & digestion.

## SMALL MILLETS

**FOXTAIL** Protein rich and amino acids, supports bone health with calcium and phosphorus.

**KODO MILLET** Low Glycemic Index also helps stabilize blood sugar levels.

**BARNYARD MILLETS** Helps detox the body and supports thyroid function with its mineral content.

**LITTLE MILLET** Good source of B-vitamins, supports metabolism and brain health.

**BROWN TOP MILLET** Helps remove toxins and rich in antioxidants that help reduce inflammation.

**PROSO MILLET** Protein rich, supports muscle strength and daily nutrition.
